

Idea Submission Application

In 2009, community members came together to form a giving circle, Project 2020. The goal of Project 2020 is to provide seed money for a major project or initiative in the year 2020 that will positively impact the present and influence the future of the Bryan area. A project fund was created through the Bryan Area Foundation to secure donations. By the year 2020, it is estimated the fund value will be \$225,000.

Project 2020 challenges the community to envision the possibilities and actively engage in submitting ideas that will make a measurable difference. The project should address a special need not being met, be meaningful, significant, financially sustainable, and bring long-term value to our community. The final project will be announced by the Project Selection Committee November 1, 2018. The completion of the project is slated for 2020.

- ❖ To submit an idea, complete the Project 2020 Idea Submission Application and return to the Bryan Area Foundation at **110 S. Walnut St. or mail to PO Box 651, Bryan, OH 43506.**
- ❖ The deadline for submission is **February 28, 2018.**
- ❖ Any questions may be directed to the Bryan Area Foundation at 419-633-1156.
