It is with deep gratitude that we thank our Donors that have encouraged and supported the Foundation bringing assets to a record of over $22.7 million. The Foundation currently administers 305 different funds with endowed balances of over $19,000,000.

We continue to make an impact in the community by granting over $8.6 million to the Bryan area in grants and scholarships since 1969. Last year, we were pleased to award $522,633 to 64 nonprofit organizations to support specific projects and programs that are dear to the hearts of our donors along with $171,850 to area students pursuing their educational dreams.
